

Landscapes

Hedgehog class

Our key question is:

How can we respect our local area?

To answer this question we are learning some geographical features of our local area. We will be drawing our know maps and visiting different parts of the village. In science we will be learning about materials and their properties.

Our focus text will be Leo and the Octopus

Fox class

Our key question is:

How are mountain ranges formed?

To answer this question we will be learning about the mountains in the UK and Europe. We will learn about how they are formed and how people are using these areas.

In science we will be learning about magnets.

Our focus text will be The journey home and The Tower

Respect

Responsibility

Consequence

Care

Physical Development

We will be choreographing dance routines and learning how to control our bodies to music

- Fox class will be swimming.
- Otter class will be doing Forest school and hockey.

Religious Education-Christianity

Our focus is on Incarnation and we will focus on the Christmas story and how this is important to Christians

Otter Class

Our key question is:

What are the challenges of living in mountain regions and how can we balance human needs with environmental protection?

To answer this question we will be learning about the different mountain ranges and the earth systems which create them. We will also be considering our impact on these amazing creations. In science we will be compare and group together everyday materials based on their properties,.

Our focus text will be Farther and the Selfish Giant

Personal development

We will also learn about our health and well being and focusing on our personal safety. We will learn about how to keep ourselves safe at home and at school.

Creative development

Year 6 will be cooking this half term. We will be doing printmaking across the school.

The children will be focused on a specific print maker and will be using a range of printing techniques.

We will all be learning the nativity songs and we will be learning to play instruments

Half term events and dates

Nativity dates: Thursday 12th December 10am and 4pm

Be safe.

Be respectful.

Be kind.

Be ready.
