

Everyday life

Hedgehog class

Our key question is:

What life different for my grandparents when they were young?

To answer this question we are learning about how everyday life has changed in living memory, with a focus on music, technology and everyday living. In science we will be learning about living things and their habitats with a focus on our own pets.

Our focus text will be Send for a superhero

Fox class

Our key question is:

Who are the Maya and how did they live?

To answer this question we will be learning about the Maya civilisation and the legacy that they left and thinking about the impact it has on our lives. In science we will be learning about living things and habitats with a focus on classifying them by their characteristics. In computing we will be using stop animation

Our focus text will be If all the world were and Minpins.

Forgiveness

Tradition

Change

Belief

Religious Education-Christianity

Our focus is on Easter story through Salvation and the Kingdom of God.

Physical Development

We will have Volleyball and learning the skills and rules to play as a team.

- Fox class will be swimming..
- Otter class will have a PE session on a Wednesday which will be fitness.

From Week 2, all children will have a Cricket session provided by the Somerset cricket club.

Personal development

We will also learn about how we can keep ourselves safe in the digital world. We will learning about how we can get help from others.

Half term events and dates

Class assemblies for Hedgehog class and Fox class

Creative development

In DT, Year 4 and 5 will be cooking this half term.

In art, we will learning focusing on self portraits, with a focus on line and shape. We will focus on a range of artists who traditional have drawn their self portraits e.g. **Frida Kahlo and Chris Riddell**

In music, Fox class will continue with Samba drumming and Otter class will be learning to play the keyboard.

Otter Class

Our key question is:

Why did the Maya civilisation decline and was it a mystery of something we can explain?

To answer this question we will be learning about the Maya civilisation impact on our modern world and what was the cause of their decline.

In science we will be learning about habitats and living things with a focus on the classification keys of plants and animals. In computing, we will learn to program using LOGO and scratch

Our focus text will be Rain Player.

Be safe.

Be respectful.

Be kind.

Be ready.
