

Unique Somerset Kindness

Hedgehog class

Our key question is:

What do the ruins and stories of Glastonbury Abbey help us understand about how people lived a long time ago?

We will learn why Glastonbury Abbey is such a special place in our history by exploring its legends, discovering how monks lived, finding out how different groups changed the Abbey, and understanding why kings thought it was so important. In science we will learn about animals and their habitats.

In Badger class our focus text will be The Egg and Tell me a Dragon. In Hedgehog class our

Religious Education-Incarnation

This half term we will be learning about the Christian belief in the Incarnation — that Jesus is God in human form.

We will explore how this fits into the big story of the Bible, look at Gospel and prophecy texts, and find out how Christians celebrate Jesus' birth at Christmas and

Creative development

This half term, we will be focusing on sketching and painting landscapes, and children across the school will study a specific artist (KS1: Van Gogh, KS2: a local artist). In music, KS1 will be learning about pitch and beat through a range of songs

Fox class

Our key question is:

Why is Glastonbury Abbey such a special place in our history?

We will learn how Glastonbury Abbey showed power, belief, and change in Britain by finding out why the Abbot was important, how monks lived and worshipped, how different groups changed the Abbey over time, why Henry VIII closed it, and what its legacy is today. In science we will learn sound and electricity

Our focus text is Leon and the Place Between

Physical Development

In EYFS and KS1, children will be exploring dance while developing their speed, agility, strength and physical fitness. Fox Class will be swimming and taking part in dance activities. Otter Class will be learning to play netball and exploring dance.

Year R and Year 5 will have forest school.

Otter Class

Our key question is:

How did Glastonbury Abbey shape and reflect power, belief and change in Britain?

We will learn how Glastonbury Abbey showed power, belief, and change in Britain by exploring why the Abbot was powerful, how religious beliefs shaped life at the Abbey, how different groups changed it over time, why Henry VIII closed it, and why the Abbey's legacy still matters today. In science we will learn about energy and forces.

Our focus text will be The Hobbit.

Personal development

We will be learning to understand and describe our feelings and emotions. We will learn about strategies such as mindfulness that we can use to feel calm and positive. We will learn what it takes to be a good learner

Be safe.

Be respectful.

Be kind.

Be ready.
