

# ‘Aspire to be your best self by Living, Learning and Growing together in God’s love’.

We had an amazing end to the school year with our spectacular school fair. A huge thank you to the Friends of the School (FBS) committee and all the parents who dedicated their time and effort to set up, run stalls, and donate cakes. Well done to all the children who prepared their stalls, showcasing remarkable creativity and teamwork. Their enthusiasm on the day was truly infectious, and they should be proud of their efforts.

The entire school had a wonderful time at We the Curious! The children explored and engaged in a variety of hands-on activities, with the Planetarium being a highlight that sparked their curiosity about space.

Our whole school project centred around Alice in Wonderland also provided an excellent opportunity for creativity, culminating in a delightful exhibition where families celebrated the imaginative work of our pupils, complete with writing for the WOW wall and whimsical treats.

It was lovely to welcome our new Reception children for their visit, witnessing friendships beginning to blossom, especially as they played with their Year 6 buddies.

A special mention goes to our Year 4, 5, and 6 pupils for their fantastic performance of *The Adventures of Superstan!* The energy and confidence displayed by every performer lit up the stage, while the Year 2 and 3 choir provided brilliant support with their singing.

Fox Class worked hard creating their own Roman chariots—showcasing ingenuity, teamwork, and problem-solving skills during the process. We were truly impressed by their efforts!

Lastly, our heartfelt leavers' service allowed us to bid farewell to our Year 6 children. We are immensely proud of their achievements and wish them well as they embark on their journey to secondary school. The whole school picnic that rounded off the year was a joy, with families enjoying the sunshine and each other's company. A special thank you to the FBS for organising the delightful ice cream stand—it truly made the day special. We look forward to creating even more fantastic memories together!

We are always delighted to welcome visitors, and we have spaces in most year groups, and it would be a chance to join our aspiring community. If you would like to arrange a visit to our school or nursery, please call us on **01458 850511** or visit our website using the QR code.

# Butleigh Nursery News

What a busy month we have had at the nursery! The warmer weather has encouraged us to spend ample time outdoors, splashing about to keep cool and making the most of our watery adventures, particularly when it comes to washing the little ones.

Our talented children have proudly showcased their fabulous artwork, all while diligently practicing writing their names and matching letters to form words—every little achievement is a cause for celebration!

Despite the heat, our annual Sports Day was a fantastic success, and we are immensely proud of how well the children performed. Those who are leaving us this year received their gifts and certificates, along with some lovely photographs to cherish as they embark on their next adventures.

Indoors, we transformed our space into an imaginative play area with tents, and, of course, a fan to keep us cool.

Our jam-packed schedule has included an array of delightful activities, from crafting crazy glasses to baking and decorating scrumptious cakes. Let's not forget those delicious ice cream treats that brought smiles to our faces.

As we look forward to September, here's to more exciting adventures and wonderful memories together.

*Donna Gutteridge, Nursery Supervisor*
