

‘Aspire to be your best self by Living, Learning and Growing together in God’s love’.

We are thrilled to share some of the exciting things happening in our school community this half term.

Our New Library and Sensory Space- We have begun using our amazing new library and sensory space! This special area offers children a calm environment to relax, unwind, and enjoy a good book. It has already been a huge success, with pupils loving the chance to read and recharge in such a peaceful setting.

Exploring Glastonbury Abbey-To launch our topic this term, the whole school enjoyed a fantastic trip to Glastonbury Abbey. The children discovered how the Abbot and monks lived through a creative guided tour of the site. They even became medieval chefs for the day, learning how flour was made and sampling sweet treats

from the past. One of the highlights was reenacting the legendary story of King Arthur and Guinevere, who are said to be buried at the Abbey. The children were wonderfully behaved, and staff praised their enthusiasm and participation. It was a truly memorable day of learning and fun.

Remembrance Day Service-We also marked Remembrance Day with our annual Welly Walk to the war memorial. The youngest and oldest pupils laid a wreath to honour those who gave their lives for our freedom. The service was a beautiful moment of reflection and respect, and the children represented the school with pride and maturity.

It was also a chance for us to remember those special people in our own lives who may no longer be here, holding them in our hearts with gratitude and love.

Poppy Display

Our school has been brightened by a stunning poppy display, created from the incredible homework projects completed by our pupils. Thank you to all families for supporting this meaningful activity.

Come and See Our School and Nursery

We're always delighted to welcome visitors, and we currently have spaces in most year groups. If you would like to arrange a personalised tour of the school or nursery, please call us on 01458 850511 or visit our website

Best wishes,
Kristin Moth, Headteacher

Butleigh Nursery News

This month, we've learned why we wear poppies and created beautiful nature poppies for our display. Inspired by *Room on the Broom*, the children made nature wands and mixed magical potions outdoors—a truly enchanting experience!

Outdoor adventures have been a highlight! We explored the Green, collecting autumn leaves, built dens at the climbing frame, and created bold chalk art. We even cooked apple crumble—a delicious way to practise fine motor skills. Imaginative play has been in full swing, from “The Floor is Lava” to building bridges and houses. In the school hall, the children practised balancing and jumping, growing in confidence and coordination.

Daily phonics and counting have been woven into play, making learning fun and meaningful. It's been a joyful month of creativity, curiosity, and

teamwork. **Best Wishes, Donna Gutteridge, Nursery Supervisor**
